PRESS RELEASE

Empower Tehama (Formerly Alternatives to Violence) Seeks Volunteers

We are offering our 40-hour Domestic Violence Crisis Intervention Training

July 17, 18, 19, 24, 25 & 26

8:30AM to 4:30PM

Would you like to help those in your community affected by domestic violence?

Just a few hours a week can make a big difference. You can choose how and when you volunteer. Let us know your interests and we can match you with services we need.

We can help you gain new skills, connect with others in the community and provide a great opportunity for you to give back or pay it forward.

Empower Tehama is seeking volunteers to help in a variety of ways, including:

Crisis Hotline – Help staff the 24-Hour Hotline from your home.

Shelter – Assist with groups, children's program, donations & shelter operations.

Community Outreach and Awareness

- Help with events
- Soliciting and/or coordinating donations

If you are interested in learning more about how you can help,
Please email info@empowertehama.org today.

All volunteers must pass a background check. Volunteers who will be working directly with clients must successfully complete a 40-hour crisis intervention training prior to working with clients.

Training may qualify for school credits – check with your college or university.
